

How SMS\$4Kids Works

SMS\$4Kids (SMS Cash For Kids) is a gift card rebate program that allows you to purchase your everyday items with gift cards and earn money for our school without paying any extra money, plus you can earn tuition rebates! St. Mary's School is able to buy the gift cards at a reduced rate yet they have the full value when you redeem them at the merchant. For example, St. Mary's buys a Coborn's \$100.00 gift card for \$96.00. You pay \$100.00 for it, and it is worth \$100.00. St. Mary's School earned \$4.00 on that purchase. \$2.00 of it is eligible towards your tuition (minimum annual purchase is required for tuition reimbursement).

St. Mary's keeps many gift cards on hand as inventory at school to make your shopping easier. Many of the merchants also offer eGift Cards, which is an electronic version of the gift card, so you can purchase on the go and redeem in-store or online while shopping. These are available immediately if you set up a link between your SMS\$4Kids account and your Bank account or if you use a credit card for payment.

Online Shopping with SMS\$4Kids

Physical gift cards need to be ordered by Sunday of each week and will be available by the following Thursday. Exceptions may happen with holidays or weather delays, but in general we order inventory once a week with a deadline of Sunday to be included in what is ordered in that shipment.

eGift Cards are available right away if paid with your bank account or credit card. eGift Cards that are paid by check are made available after payment is received and entered in the school office.

Order Notification to St. Mary's School
