We will be starting this program in January. If I feel your child is an independent reader, I may start him/her earlier in the year.	Starts in January

SMS SPIRIT-PBIS School-Wide Behavior Plan	At St. Mary's, we focus on teaching our students what behaviors are acceptable, praising and rewarding them when they "get it," and helping them learn from their mistakes when they don't. This system is called Positive Behavioral Intention & Supports, or PBIS for short. At St. Mary's, we call it SMS Spirit—a school-wide, positive behavior intervention system that teaches and re-teaches students how to demonstrate SMS Spirit in all school settings. The end goal: a nurturing, and respectful learning community where academic achievement is the focal point and all students feel connected and valued. Talk to your children about SMS Spirit; you can find more info about SMS Spirit on our website and SchoolSpeak. In Kindergarten we will also be talking about feelings and mindfulness as we create our Kindergarten family within our classroom.	Ongoing
