**Thank you for visiting [smsmelrosemn.org](http://smsmelrosemn.org).** We are dedicated to making your visit to our website fun, satisfying, and rewarding. As part of that goal, we recognize that you may have questions about your privacy and how we may use any information we receive from you. You may also be unsure as to how you can use the information contained on our website. To answer your questions, we have developed a PRIVACY ASSURANCE POLICY to explain how we collect information and what we will and will not do with it. We've also developed a LEGAL NOTICES SECTION that summarizes the appropriate use of our Web Site. Please know that we respect your privacy and personal time and want to make our website a secure and enjoyable place to visit to learn more about us and the wonderful learning experience we provide.

### PRIVACY ASSURANCE POLICY

**Information About You: How Will We Use It?:** Our Privacy Assurance Policy is simple: we will not sell or give any information we receive from you to anyone outside of St. Mary's School.

**Your Participation Is Your Choice:** You are not required to give us personal information in order to use our website. If we were to add services in the future that would require you provide such information, whether or not you participate is entirely your choice. We would only use personal information that you have voluntarily given to us.

**Cookies: What Are They? Do We Use Them?:** To make our website easier to use and your visit more enjoyable, we use a feature called a "cookie." Cookies are the small files placed on your hard drive through your Internet browser by a Web Site. They are used so that when you visit our website, certain details of your visits to various pages will be "remembered" by our Web Site so you can easily return to it. In the future, we may use cookies to provide faster service and to personalize your Web Site visits by remembering your preferences. Although cookies will identify your computer to us when you visit so that we can present "your" personalized website, they will not give us any personal information about you from your computer.

**We Respect Your Child's Privacy, Too!:** Our website does not knowingly collect any information from children. If we were to do so in the future, we would require that users of these pages are at least 13 years of age and would attempt to restrict children under the age of 13 from submitting information to us that we retain. If you are a parent and believe your child has somehow given us information that you want removed from our records, please contact us in writing by regular mail or the email as noted at the end of this document.

**Policy Changes:** Website technology is changing everyday. As a result, we may change our Privacy Assurance Policy from time to time, and any revised versions will be posted here. We encourage you to revisit it occasionally. The current version of this policy was made effective as of October 1, 2010.
